Appointment of new staff member to the Growth Team: Creative Economy Project Officer (Grade J)	7.3.22	Stephen McDonald	To appoint a staff member to this new post, to support Barnet Council to deliver its adopted Growth Strategy 2030. The role will be directly supporting the delivery of initiatives linked to the theme: A great borough to live in and visit. With a particular focus on the aim to support the creative economy to grow in the borough.
North Finchley Town Centre Public	21.3.22	Stephen McDonald	To appoint Momentum Transport Planning to carry out work in North Finchley Town Centre in two parts:

<p>Realm Design Framework</p>			<p>1. The first part will assess the implications of the existing and future transport demands; and develop a town centre wide transport and car parking strategy for North Finchley Town Centre that fulfils evidence and policy-based need.</p> <p>2. The second part will be informed by the outcomes identified in the first part to co-develop with key stakeholders and the local community a comprehensive and coordinated North Finchley Public Realm Design Framework.</p> <p>The project supports delivery of the council’s wider goals, as set out in the Corporate Plan and Growth Strategy 2030. Specifically:</p> <ul style="list-style-type: none"> o Delivering healthier street design to support all forms of travel o Delivering a cleaner, greener and more pleasant borough o Improving the quality of open spaces and addressing deficiencies to improve health and wellbeing o Improving accessibility o Supporting the strengthened identity and diversification of town centres o Creating thriving town centres o Building on existing strengths to create a thriving evening economy <p>This project also supports the aims identified in the Barnet Long Term Transport Strategy. Specifically:</p>
-------------------------------	--	--	--

			<ul style="list-style-type: none"> o Improving walking and cycling infrastructure within the borough to improve the appeal and use of more active modes of transport to access our local town centres. o The need for high-quality public realm and highways to be designed to improve Barnet's town centres as and accessible destination where our residents want to dwell and spend time.
School Estates Strategy – feasibility work for redevelopment options	28.3.22	Stephen McDonald	Appointment of John Graham Construction Ltd to provide feasibility work via Pre-Construction Services Agreement (PCSA) under the Strategic Partnering Agreement, for School Estates Strategy redevelopment options

I have the required powers to make the decision documented above or have delegated authority to the recorded Officer. I am satisfied that all relevant advice has been sought in taking the above decision in order to ensure that the decision making framework of the organisation including the Constitution, Scheme of Delegation, Budget and Policy Framework and Legal issues including Equalities obligations are applied. I also confirm that a full audit trail will be retained on file and available on request by the relevant authority.
