

Opposition Motion in the name of Cllr Dan Thomas

Council will not raise the price of Garden Waste from £70 collections for the remainder of the administration to help with the cost-of-living crisis.

Council notes that:

1. Residents across the borough are suffering from a cost-of-living crisis
2. The London Borough of Barnet currently charges £70 a year for garden waste collections

Council believes that:

1. It would be wrong to increase the price of the garden waste collection service when so many in Barnet are suffering from the increasing costs of living

Council resolves to:

1. Not raise the price of the garden waste collection service in Barnet for the remainder of the administration

Under Full Council Procedure Rule 17.17: if my item is not dealt with by the end of the meeting, I ask that it be voted upon at the Council meeting.
