

Opposition Motion in the name of Cllr David Longstaff

A reduction is not a rebate - Labour must fulfil their manifesto pledge to rebate the Social Care Precept within the 2022/23 Financial Year

Council notes that Barnet Labour promised to “freeze council tax and refund residents this year's 1% council tax increase”.

Council believes that in the most recent P&R Committee, Labour changed their plans so that they could claim an arbitrary increase in Council Tax was in fact a refund. It is not.

Council resolves to freeze council tax and refund residents, as Labour promised, within the 2022/23 financial year.

Under Full Council Procedure Rule 17.17: if my item is not dealt with by the end of the meeting, I ask that it be voted upon at the Council meeting.
