3. CORPORATE PRIORITIES AND POLICY CONSIDERATIONS

- 3.1 The Overview and Scrutiny Committees/Sub-Committees must ensure that the work of Scrutiny is reflective of the Council's priorities.
- 3.2 The three priority outcomes set out in the 2012/13 Corporate Plan are: –
- Better services with less money
 - Sharing opportunities, sharing responsibilities
 - A successful London suburb
- 3.3 The work of the Health Overview and Scrutiny Committee supports the Corporate Plan 2012/13 objective of supporting residents to live healthy and independent lives through its role as a "critical Friend" reviewing the provision of health and social care services by the council and health partners as they seek to deliver the Health and Well-being Strategy, promoting prevention and the integrated commissioning of services.

4. RISK MANAGEMENT ISSUES

- 4.1 None in the context of this report.

5. EQUALITIES AND DIVERSITY ISSUES

- 5.1 In addition to the Terms of Reference of the Committee, and in so far as relating to matters within its remit, the role of the Committee is to perform the Overview and Scrutiny role in relation to:
- The Council's leadership role in relation to diversity and inclusiveness; and
 - The fulfilment of the Council's duties as employer including recruitment and retention, personnel, pensions and payroll services, staff development, equalities and health and safety.
 - The Council is required to give due regard to its public sector equality duties as set out in the Equality Act 2010 and as public bodies, health partners are also subject to equalities legislation; consideration of equalities issues should therefore form part of their reports.

6. USE OF RESOURCES IMPLICATIONS (Finance, Procurement, Performance & Value for Money, Staffing, IT, Property, Sustainability)

- 6.1 None in the context of this report.

7. LEGAL ISSUES

- 7.1 The Health and Social Care Act 2012, Part 5, Chapter Two makes amendments to the NHS Act 2006 and the Government is reviewing the need for consequential amendments with regard to scrutiny functions. Amongst other things, the amendments concern the power to make regulations on review and scrutiny of health by local authority overview and scrutiny committees. The amendments enable those regulations to authorize the local authority to arrange for an overview and scrutiny committee to discharge its health scrutiny functions. The health scrutiny functions may involve making reports and recommendations to relevant NHS bodies or relevant health service provider, Secretary of State or the regulator.

8. CONSTITUTIONAL POWERS (Relevant section from the Constitution, Key/Non-Key Decision)

- 8.1 The scope of the Overview and Scrutiny Committees is contained within Part 2, Article 6 of the Council's Constitution.
- 8.2 The Terms of Reference of the Scrutiny Committees are included in the Overview and Scrutiny Procedure Rules (Part 4 of the Council's Constitution). The Health Overview and Scrutiny Committee has within its terms of reference responsibility:
