REASONS FOR RECOMMENDATIONS

- 1.2 The Committee is requested to decide in respect of each application submitted by Ward Members for Neighbourhood CIL Funding, in line with its terms of reference set out in Article 7 of the Council’s Constitution.
- 1.3 Community Infrastructure Levy (CIL) is a planning charge that was introduced by the Planning Act 2008 Part II to help deliver infrastructure to support the development in an area. CIL is a standard charge collected from developers on a rate per square metre basis and the funds raised are spent on infrastructure to support the development of an area. Part of CIL funding is allocated to the Neighbourhood Portion and managed by the three Area Committees: North, East and North.

2. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED

- 2.1 Not applicable; Members of the Council are able to submit applications for Neighbourhood CIL funding to the Area Committee via Members' Items. As a result, the Committee are requested to consider and determine the applications submitted by Ward Members. Therefore, no other recommendation is provided from Officers.

3. POST DECISION IMPLEMENTATION

- 3.1 Post decision implementation depends on the decision taken by the Committee, and the assessing officer's recommendation.

4. IMPLICATIONS OF DECISION

4.1 Corporate Priorities and Performance

- 4.1.1 The current corporate plan (Barnet Plan 2021-2025) was adopted in March 2021. Following the May 2022 elections, the council has a new administration, and a new corporate plan consistent with the new administration's priorities will be brought forward shortly.

4.2 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)

- 4.2.1 An annual allocation of £1.8m is made to Area Committees from 2022/23. The funding has provisionally been agreed to be allocated based on population within each Area Committee subject to consideration of an Equality Impact Assessment ('EQIA') being carried out by Area Committees (after their consultation in respect of those recommendations requiring consultation).

4.3 Social Value

- 4.3.1 Requests for Area Committee budget funding provides an avenue for Members to give consideration to funding requests which may have added social value.

4.4 Legal and Constitutional References

- 4.4.1 Council Constitution, Article 7, Section 7.5 Responsibility for Functions details that the Area Committee is responsible for determining the allocation of Community Infrastructure Levy funding within the area subject to sufficient of the budget being allocated to the Committee being unspent.
- 4.4.2 Council Constitution, Article 2 Members of the Council, Section 2.3 states that a Ward Member will be permitted to have one matter only (with no subitems) on the agenda for an Area Committee where the Member is submitting a request for CIL funding to an Area Committee Budget relating to their Ward. Members' Items for CIL funding Budget must be submitted 10 clear working

days before the meeting. Items received after that time will only be dealt with at the meeting if the Chairman agrees they are urgent.

4.5 Risk Management

4.5.1 None in the context of this report.

4.6 Equalities and Diversity

4.6.1 Requests for Funding allow Members of a Committee to bring a wide range of issues to the attention of a committee in accordance with the Council's Constitution. All of these issues must be considered for their equalities and diversity implications.

4.6.2 The Equality Act 2010 outlines the provisions of the Public Sector Equalities Duty which requires Public Bodies to have due regard to the need to:

4.6.2.1 Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Equality Act 2010.

4.6.2.2 Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it.

4.6.2.3 Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

4.6.3 Relevant protected characteristics are: age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation.

4.6.4 The broad purpose of this duty is to integrate considerations of equality into day-to-day business and keep them under review in decision-making, the design policies and the delivery of services.

4.7 Corporate Parenting

4.7.1 None in the context of this report.

4.8 Consultation and Engagement

4.8.1 Members will be encouraged to engage residents and community groups in their wards to raise awareness of Area Committees and the opportunities they provide for delivering community-led improvements to their local areas. Officers will also work with their community networks to promote the Area Committees.

4.8.2 Members consult with Area Committee Lead Officers at an early stage on CIL Funding applications and where relevant with other departments and services. This will enable as much supporting information as possible to be included with applications to enable committees to make an informed decision. Applications where limited or no consultation has taken place are likely to be deferred or rejected by committees. This information will enable committees to make

informed decisions. There is no prescribed format for supporting information, but it is recommended that it is sufficient for the committee to make an informed decision.

4.9 Insight

4.9.1 The Committee may wish to utilise the CIL funding priorities agreed by the Area Committee as a guide towards determining an application. Officers will work on collating key information to assist Members in reviewing priorities including infrastructure needs by area and insight data.

4.10 Environmental Impact

4.10.1 There are no direct environmental implications from noting the recommendations. Implementing the recommendations in the report will lead to a positive impact on the Council's carbon and ecology impact, or at least it is neutral.
