### Summary

In September 2019 the Barnet Safeguarding Children Partnership (BSCP) was established, replacing Barnet Safeguarding Children Board with new multi-agency safeguarding arrangements in line with the government guidance '*Working Together to Safeguard Children 2018*.'

The BSCP is a statutory partnership between the local authority, North Central London Integrated Care Board (NCL ICB) and Metropolitan Police (North West Borough Command Unit) in order to safeguard children and young people in Barnet and to promote their welfare. It also works with wider health providers, education and the voluntary, community and faith sector.

The BSCP is required to publish an annual report about how the multi-agency safeguarding arrangements have been delivered. This report is attached at **Appendix A**.

It is also required to plan for independent scrutiny and in November 2022 a team of scrutineers conducted a virtual visit. They confirmed the Partnership is meeting its statutory requirements and have made recommendations for improvement in the coming year. The independent scrutiny report is attached as **Appendix B**.

<b>Officers Recommendations</b>
<b>That the Committee notes and considers the reports and provide any comments on the Annual Report</b>

## **1. WHY THIS REPORT IS NEEDED**

- 1.1 In line with government guidance *Working Together to Safeguard Children 2018*, local Safeguarding Children Partnerships must publish an annual report on the effectiveness of their work to promote safeguarding and the welfare of children and young people. The Committee is asked to note and comment on the Barnet Safeguarding Children Partnership (BSCP) Annual Report. The Annual Report is a statutory requirement of the partnership and is attached as Appendix A
- 1.2 Safeguarding Children Partnerships must also make arrangements for independent scrutiny in order to review multi-agency working and what the Partnership has achieved. Barnet Safeguarding Children Partnership chose to commission independent scrutiny from a multi-agency team of Red Quadrant consultants and this review was the third annual review that they have undertaken. The review team visited Barnet in November 2022. This is their third independent scrutiny visit. The report is attached for information as Appendix B

## **2. STRATEGIC CONTEXT**

### **BSCP Annual Report**

- 2.1 The annual report sets out what BSCP has achieved over the period September 2021-September 2022 and how the Partnership has worked to deliver the locally agreed six strategic priorities:
- Strengthening leadership and partnership
  - Tailoring our work to local specific issues
  - Driving continuous improvement to safeguarding practice
  - Responding to serious safeguarding cases effectively
  - Creating a strong feedback loop with children, families & practitioners
  - Measuring & evidencing the impact of our work
- 2.2 It also sets out the impact that the Partnership has made in continually improving the multi-agency safeguarding arrangements within the borough and provides an overview of progress made against the Partnership's shared safeguarding themes of neglect, domestic abuse, suicide and self-harm and learning from serious youth violence. The Annual Report includes contributions from all partners. Our independent scrutineers noted that the Annual Report reflected guidance published by the institute [\*What Works for Childrens Social Care\*](#)

### **Independent scrutiny visit**

- 2.3 The independent scrutiny visit took place week beginning 14<sup>th</sup> November 2022 by a team of three independent scrutineers with professional backgrounds in children's services, police and health. They reviewed a range of documents and interviewed more than 40 representatives from across the Partnership. The interviews were undertaken with a cross section of staff including frontline practitioners.
- 2.4 The scrutineers concluded that *"Our confident judgement is that the Multi-agency Safeguarding Arrangements for Barnet Safeguarding Children Partnership continue to comply with Working Together, 2018. There are robust partnership arrangements to ensure that children in Barnet are safeguarded and their welfare promoted. There continues to be a culture of openness, respectful challenge, and a willingness to learn, which has positively impacted children and families in Barnet. Hearing and acting upon the voice of children and young people is a significant strength in Barnet, which has been further reinforced by the innovative participation of children, young people, and their families."*
- 2.5 The scrutineers provided some recommendations for how Barnet Safeguarding Children Partnership can continue to improve in the coming year. These included consideration of developing a cross Partnership approach to tackling ongoing recruitment and retention challenges and how we respond as a Partnership. These recommendations are being incorporated into the BSCP Business Plan for 2023/24.

### **3. REASONS FOR RECOMMENDATIONS**

- 3.1 The annual report needs to be developed and published in line with statutory requirements for local Safeguarding Children Partnerships.

### **4. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED**

- 4.1 N/A

### **5. POST DECISION IMPLEMENTATION**

- 5.1 As a multi-agency report by the three statutory partners, the annual report will also be taken to police and health governance bodies. It has been approved by the BSCP Leadership Forum in January 2023.
- 5.2 The independent scrutiny report and its recommendations are being incorporated into the BSCP Business Plan.

### **6. IMPLICATIONS OF DECISION**

#### **6.1 Corporate Priorities and Performance**

- 6.1.1 The Barnet Corporate Plan sets a clear priority for ensuring the effective safeguarding of the borough's vulnerable children. The work of BSCP is aligned to the Children and Young People's Plan and supports key objectives within it.

#### **6.2 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)**

- 6.2.2 Financial commitments set out in the annual report and proposed by the independent scrutineers will be accounted for within current budgets.

### **6.3 Social Value**

- 6.3.1 The Public Services (Social Value) Act 2012 requires people who commission public services to think about how they can also secure wider social, economic and environmental benefits.
- 6.3.2 Protecting children from abuse and neglect has clear social value and is at the core of BSCP's purpose and activities. Working in partnership with other local agencies improves responses to safeguarding concerns and delivers better outcomes for children and young people in Barnet.

### **6.4 Legal and Constitutional References**

- 6.4.1 Barnet Safeguarding Children Partnership operates in line with the Children Act 2004, which requires the safeguarding partners, namely the local authority, integrated care board and chief officer of police to make local arrangements for the safeguarding partners and any relevant agencies to work together in exercising their functions, so far as those functions are exercised for the purpose of safeguarding and promoting the welfare of all children in their area. This must include working together to identify and respond to the needs of children in the area.
- 6.4.2 The annual report and arrangements for independent scrutiny are in line with Working Together to Safeguard Children 2018, the statutory guidance which sets out the requirements for local multi-agency safeguarding arrangements.
- 6.4.3 The Council's Constitution, Article 7 sets out the terms of reference for the Children, Education and Safeguarding Committee which includes responsibility for all matters relating to schools, education and safeguarding, and to receive an annual report from the Safeguarding Children Partnership.

### **6.5 Risk Management**

- 6.5.1 BSCP works within a risk management approach aligned to the Council's Risk Management Framework.

  - eliminate unlawful discrimination, harassment and victimisation and

- other conduct prohibited by the Equality Act 2010
- advance equality of opportunity between people from different groups
- foster good relations between people from different groups.

The broad purpose of this duty is to integrate considerations of equality into day to day business and to keep them under review in decision making, the design of policies and the delivery of services.

- 6.6.2 BSCP works to keep equality at the core of its business and continually considers how Barnet's diverse populations may face different safeguarding challenges and require different forms of support.

## **6.7 Corporate Parenting**
