Recommendations	
<p>That the Adults and Health Overview and Scrutiny Sub-Committee</p> <ol style="list-style-type: none"> 1. Receives and inputs into the proposed 2023-2024 Work Programmes for the Adults and Health Overview and Scrutiny Sub-Committee 2. To review the attached proposed scrutiny review topics attached at Appendix BI and using the prioritisation criteria attached (appendix BII), determine which items should be prioritised for reporting to a committee or the subject of a task and finish group. 	

3. That the Committee note the Work Programme will be recommended to Council on 11 July 2023.

1. Reasons for the Recommendations

- 1.1 This report sets out the process for developing the Scrutiny Work Programme for 2023-24.
- 1.2 The Council’s Constitution (Committee Procedure Rules, Article 35) states: The Scrutiny will consider its outline work programme, and that of the Overview and Scrutiny sub-committees, at its first meeting following the Annual Meeting of Council...and report the agreed outline work programme to the first available ordinary meeting of the Council.
- 1.3 The work programme includes suggestion and input from Councillors, officers, members of the public, community groups and the voluntary sector.

A strong and effective work programme underpins the work and approach of Scrutiny. But work to develop and refine the work programme requires support. The input of executive members, senior officers, and external partners will all assist scrutiny Members to effectively fulfil their role as critical friends constructively challenging decision makers. [CfGS 2022]

- 1.4 The work programme should reflect the Council’s priorities and should be targeted on issues where scrutiny can add real value. Good practice guidelines for setting overview and scrutiny work programmes state that if scrutiny is to be effective in driving service improvement and making a real difference to outcomes for local people, its work programme must be:
- Informed by the priorities and concerns of local people.
 - Led by scrutiny members.
 - Manageable and realistic
 - Integrated effectively with corporate budget-making and strategic planning and policy setting processes and add value in contributing to the achievement of the Council’s corporate objectives.
 - Reflect a proactive approach to driving service improvement, rather than being simply reactive in response to decisions of the Executive.
- 1.5 The attached work programmes reflect this approach.

2. Alternative Options Considered and Not Recommended

- 2.1 There is no alternative in the context of this report.

3. Post Decision Implementation

- 3.1 Once agreed the 2023-2024 work programmes and scrutiny topics for review will be presented to Full Council on 11 July for agreement.

- 4.1 This report is aligned with the key priorities in the new corporate plan. Built on the pillars of “caring for people, our places and the planet” and underpinned by a foundation of being Engaged and Effective. The work of Overview and Scrutiny will support the Council in becoming a ‘listening council’ collaborating and building a continuous dialogue with residents and

communities. In doing so, residents are involved in decision-making and Scrutiny acts to amplify the voice of the public, on issue of concern.

Corporate Performance / Outcome Measures

- 4.2 This item measure how “We act on concerns of local residents and involve them in decision making”.

Sustainability

- 4.3 None in the context of this report.

Corporate Parenting

- 4.4 In line with Children and Social Work Act 2017, the council has a duty to consider Corporate Parenting Principles in decision-making across the council. This duty will be considered when including items to the work programme. This is especially relevant for the work programme for the children and education sub-committee.

- 5.1 As part of the Governance review a dedicated team has been created to support the Overview and Scrutiny function and this will be delivered within the existing Governance service budget.

6. Legal Implications and Constitution References

- 6.1 The Council’s Constitution Part 2B – Terms of Reference and Delegation of Duties to Committees and Sub-Committees of the Council, Article 10.1.1 states that the Committee will oversee an agreed work programme that can help secure service improvement through in-depth investigation of performance issues and the development of an effective strategy/policy framework for the council and partners.
- 6.2 The Council’s Constitution Part 3C - Committee Procedure Rules, Article 35.1 states that the Overview and Scrutiny Committee will consider its outline work programme, and that of the Overview and Scrutiny sub-committees, at its first meeting following the Annual Meeting of Council
- 6.3 Article 35.2 - In setting the outline work programme, account will be taken of the need to scrutinise forthcoming policy, for example, the budget and other major policies or strategies in development, whilst leaving flexibility to allow additional items to be added to the agendas for committees and sub-committees and to commission task and finish group reviews during the year in response to new requests for scrutiny.
