

Alma Primary

Proposer: Councillor Woodcock-Velleman

This council notes:

1. That Barnet's Alma Primary won the English School's Football Association Under-11's Small Schools Cup.
2. That to reach the finals day, the school's team had to overcome rivals at borough, regional and national level.
3. That on finals day itself, the team competed against five other schools for the trophy at Leicester City's King Power Stadium.
4. That Alma Primary is ten years old this year, has had a permanent home for seven years and does not have its own pitch, making the achievement all the greater.

Council Resolves:

1. To congratulate the pupils of the Alma Primary Under-11s Small Schools Cup on their fantastic win.
2. That the players - Nadav Okrent, Gilad Sasson, Levi Kay, Charlie Gelb, Ethan Lazarus, Ari Kaye, Yoni Shamash, Josh Norman and Oli Cohen - are heroes of the borough, a credit to their school and their parents.
3. To congratulate Alma Primary's Sports leader, Yasmin Ahmed, Headteacher, Marc Shoffren, the team's coach Alex Norman, team manager Caroline Norman, the school's wider teaching body, governors and parents on this wonderful success.
