1.	<p>“As a keen cyclist and tradesman on a bike I welcome school streets in my local area. Barnet contains huge potential for them given the recent healthy streets scorecard. Having read and searched your draft policy for trades persons, will the final policy have a permit that can be given to someone like a plumber, or will residents have to tell them not to come at certain times?</p> <p>Will they be able to park and stride with their tools?</p> <p>Your answer will help me to re-assure residents thank you.”</p>	Ben Samuel	<p>16</p> <p><a href="#">Draft School Streets Permit and Exemption Policy</a></p>
