Terminology key

Statutory prescribed – legislation provides that the local authority charge for providing a service and either (a) the charge is prescribed (i.e. set eg. £100) or (b) the range is prescribed.

Statutory discretionary (or statutory costs recovery) - legislation provides that you may charge for providing a service but the amount of the charge is discretionary, within the remit of the legislation – the charge may be limited to cost recovery, reasonable cost or based on consideration of prescribed matters eg. consideration of rental value of land for allotments.

Discretionary – here the authority is not obliged to provide the service but if it does so then the charges must be based on costs recovery, based on the statutory power to charge in Local Government Act 2003/Localism Act 2011

Terminology key

Statutory prescribed – legislation provides that the local authority charge for providing a service and either (a) the charge is prescribed (i.e. set eg. £100) or (b) the range is prescribed.

Statutory discretionary (or statutory costs recovery) - legislation provides that you may charge for providing a service but the amount of the charge is discretionary, within the remit of the legislation – the charge may be limited to cost recovery, reasonable cost or based on consideration of prescribed matters eg. consideration of rental value of land for allotments.

Discretionary – here the authority is not obliged to provide the service but if it does so then the charges must be based on costs recovery, based on the statutory power to charge in Local Government Act 2003/Localism Act 2011

Department:

Children's & Family Services

Area:

Family Resource Centre

Note: These are fees that would be charged to external clients who need a supervised contact service, i.e. other local authorities with CIC placed in our area, and families going through private law proceedings.

A project which concluded in January 2020 noted that the average staff cost of providing a contact was £85. We are proposing £108 charge, which covers this staff cost. The other charges also reflect staff time, which is the main cost of providing the service. These charges will mean income from external clients that is greater than full cost recovery.

Terminology key

Statutory prescribed – legislation provides that the local authority charge for providing a service and either (a) the charge is prescribed (i.e. set eg. £100) or (b) the range is prescribed.

Statutory discretionary (or statutory costs recovery) - legislation provides that you may charge for providing a service but the amount of the charge is discretionary, within the remit of the legislation – the charge may be limited to cost recovery, reasonable cost or based on consideration of prescribed matters eg. consideration of rental value of land for allotments.

Discretionary – here the authority is not obliged to provide the service but if it does so then the charges must be based on costs recovery, based on the statutory power to charge in Local Government Act 2003/Localism Act 2011

Statutory discretionary (or statutory costs recovery) - legislation provides that you may charge for providing a service but the amount of the charge is discretionary, within the remit of the legislation – the charge may be limited to cost recovery, reasonable cost or based on consideration of prescribed matters eg. consideration of rental value of land for allotments.

Discretionary – here the authority is not obliged to provide the service but if it does so then the charges must be based on costs recovery, based on the statutory power to charge in Local Government Act 2003/Localism Act 2011

Terminology key

Statutory prescribed – legislation provides that the local authority charge for providing a service and either (a) the charge is prescribed (i.e. set e.g. £100) or (b) the range is prescribed.

Statutory discretionary (or statutory costs recovery) - legislation provides that you may charge for providing a service but the amount of the charge is discretionary, within the remit of the legislation – the charge may be limited to cost recovery, reasonable cost or based on consideration of prescribed matters e.g. consideration of rental value of land for allotments.

Discretionary – here the authority is not obliged to provide the service but if it does so then the charges must be based on costs recovery, based on the statutory power to charge in Local Government Act 2003/Localism Act 2011

Terminology key

Statutory prescribed – legislation provides that the local authority charge for providing a service and either (a) the charge is prescribed (i.e. set e.g. £100) or (b) the range is prescribed.

Statutory discretionary (or statutory costs recovery) - legislation provides that you may charge for providing a service but the amount of the charge is discretionary, within the remit of the legislation – the charge may be limited to cost recovery, reasonable cost or based on consideration of prescribed matters e.g. consi value of land for allotments.

Discretionary – here the authority is not obliged to provide the service but if it does so then the charges must be based on costs recovery, based on the statutory power to charge in Local Government Act 2003/Localism Act 2011

Terminology key

Statutory prescribed – legislation provides that the local authority charge for providing a service and either (a) the charge is prescribed (i.e. set e.g. £100) or (b) the range is prescribed.

Statutory discretionary (or statutory costs recovery) - legislation provides that you may charge for providing a service but the amount of the charge is discretionary, within the remit of the legislation – the charge may be limited to cost recovery, reasonable cost or based on consideration of prescribed matters e.g. consideration of rental value of land for allotments.

Discretionary – here the authority is not obliged to provide the service but if it does so then the charges must be based on costs recovery, based on the statutory power to charge in Local Government Act 2003/Localism Act 2011
