## **1. Introduction**

- 1.1 The Financial Regulations provide the framework for managing the financial affairs of the Council. These Financial Regulations should apply to all Members, officers, contractors and partners in the work they do for the Council.
- 1.2 The Executive Director of Strategy & Resources, is the Chief Finance Officer, also known as the s151 Officer, and has statutory duties in relation to the financial administration and stewardship of the Council.
- 1.3 The Financial Regulations govern the way the Council undertakes financial forward planning, annual budget setting, budget monitoring and closing of the accounts.
- 1.4 The Financial Regulations also govern the way day to day financial administration is conducted and financial controls are exercised.
- 1.5 The Scheme for Financing Schools, which follows the requirements of the School Standards and Framework Act 1998, governs School Governors, Headteachers and school staff of Maintained schools with delegated budgets. A local financial guide for schools supplements the Scheme for Financing Schools. In these cases the Financial Regulations do not apply. Each school is required to have a financial management policy and procedures document.
- 1.6 These procedures shall be reviewed regularly by the Chief Finance Officer but at least every three years.

2.2.4 The Financial Forward Plan will cover revenue and capital budgets and will highlight how resources are being re-directed to address Corporate priorities.

The duties of the external auditor are governed by section 5 of the Audit Commission Act 1998.
- 4.5.2 External auditors have a responsibility to satisfy themselves that the Council has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources and value for money. The Chief Finance Officer, in conjunction with Chief Officers, must ensure that the Council makes best use of resources and taxpayers and / or service users receive value for money.
- 4.5.3 The Council may, from time to time, be subject to audit, inspection or investigation by external bodies such as HM Revenue and Customs, who have statutory rights of access.

#### **5. Trading Accounts**

- 5.1 It is the responsibility of the Chief Finance Officer to advise on the establishment and operation of trading accounts and business units, where appropriate.
- 5.2 The Chief Officer must observe all statutory requirements in relation to trading accounts, including the maintenance of a separate revenue account to include all relevant income and expenditure, including overhead charged and an annual report in support of the final accounts.
- 5.3 The Chief Officer must ensure that the same accounting principles are applied in relation to trading accounts as for other service units.

#### **6. External Arrangements**

##### **6.1 Partnerships**

- 6.1.1 Partnerships include any arrangements where the Council agrees to undertake, part fund or participate in a project with other bodies; either as a beneficiary of the project, or because the nature or status of the project gives the Council a right or obligation to support it. Where the Council is simply providing funding without assuming any obligation or risk relating to delivery of the project, this is not a partnership.
- 6.1.2 It is important to understand and distinguish between a partnership in this context and a supplier who the Council may refer to as a 'partner' due to the status that the Council has contractually awarded to it. Irrespective of the title applied to it, this latter type of partnership is a supplier relationship, which will be entered into in accordance with, and governed by, the Council's Procurement Policy and Procedures.
- 6.1.3 Chief Officers are responsible for ensuring that appropriate work is undertaken and committee approvals are obtained before any negotiations are concluded in relation to work with external bodies.
- 6.1.4 The approval of both the Chief Finance Officer and the Monitoring Officer must be obtained prior to the Council entering into any formal partnership agreement. The

approval of the Chief Finance Officer must also be obtained where it is proposed that the Council adopts the role of 'Accountable Body' for a partnership.

6.1.5 A written partnership agreement must be produced that clearly establishes the responsibilities of the respective partners for managing the arrangement and the resources made available to the partnership. The document must also set out the arrangements in respect of unspent funding at each year end, unless this is to be returned to the Council as unspent money, and for addressing any overspend.

6.1.6 Delegation of budget to a partnership

The delegation of budget to a partnership (whether or not the arrangement is binding on the parties), where money is normally spent in accordance with the wishes of a group of individuals or organisations, is subject to approval in accordance with the table above at paragraph 2.4.

6.1.7 Where the Council is the 'accountable body' for a partnership, these Financial Regulations apply to decisions relating to the expending of that money. All expenditure must be authorised by an appropriate London Borough of Barnet officer, or by someone else who has a statutory power to authorise expenditure.

## **6.2 External Funding**

6.2.1 External funding covers bids to Government and other organisations that are offering funding for projects that meet certain criteria. It also covers contributions being sought from participating organisations and individuals, from either public or private sources.

6.2.2 The Chief Finance Officer is responsible for ensuring that all funding notified by external bodies is received and properly recorded in the Council's accounts.

6.2.3 Chief Officers must provide the Chief Finance Officer with details of all bids for external funding. Bids will follow the requirements of the Council's investment appraisal process.

6.2.4 Chief Officers must not commit expenditure on projects requiring matched funding contributions until the external funding has been confirmed.

6.2.5 Chief Officers must advise the Chief Finance Officer of all grant and subsidy notifications as soon as they are received. Where the amount notified is greater than the budget, the excess will be deemed a windfall and should in the first instance be returned to the central contingency unless regulations specify restrictions on their use which make this inappropriate or the underspend, additional income or windfall is to be used to offset uncontrollable overspends elsewhere within the service. Where the amount notified is less than the budget, the Director or Head of Service must notify the Chief Finance Officer of options for containing any potential overspend.

## **6.3 Work For Third Parties**

6.3.1 Work can only be undertaken for third parties where the Council has the legal powers to undertake the work.

iii. Ensure that the Council is not unnecessarily exposed to the risk of bad debts.

6.3.3 A written agreement must be put in place between the Council and the third party, which details the services to be provided, over what period and at what price; this will be signed by both parties to the agreement. Chief Officers will provide information on the contractual arrangements to the Chief Finance Officer in order that the appropriate disclosures can be made within the Council's annual statement of accounts.

6.3.4 Cabinet is responsible for monitoring the contractual arrangements for any significant work for third parties or external bodies. For this purpose, significant is deemed to be contracted annual income from a body that is greater than £100,000.
