|    | Issue Raised  | Response   |
|----|---|--|
| 1. | <p><b>Issue: Congested and dangerous junction Colindeep Lane with Grove Gardens NW4 4SA</b><br/>Resident: Ricky Tang<br/>Ward: West Hendon</p> <p>Details:<br/>Proposal for Mini Roundabout</p> <p>Having lived in the area for 24 years, I noticed it has been very difficult emerging from Grove Gardens on to Colindeep Lane especially turning right. This is due to excessive traffic due to a local school and new housing developments. Poor visibility due to overgrown ivy and poor design. In addition it is very dangerous to cross Colindeep Lane due to fast moving traffic from A41.</p> <p>A mini roundabout could resolve the above problems.</p> | <p>A new request has to be made to the service with the issues that are being faced by the residents. Feasibility study need to be to determine the justification for a roundabout</p> |
